Simply choose from a variety of desirable locations and workplaces, and we take care of the rest. On the day you move in, every detail will be taken care of: your workplace will be personalized, your telephones answered with enthusiasm, and the Synergy team will be treating your business as their own. And when your clients arrive, they arrive in your office, complete with a comfortable reception area and friendly, professional support staff. The Full-Time Office program includes unlimited access to your office, day and night.
